

Join **THE ROBETTES** for **SUMMER CAMP**

No experience required!!

Who: Any interested current or incoming Visitation student (open to 6th-12th graders) who:

- Wants to try new things
- Likes solving problems
- Enjoys hands-on activities
- Might be interested in exploring engineering, design, or business as a future career

What: An exciting 8-evening summer program exploring robotics at Visitation through hands-on projects and team building activities.

Where: Opus Hall at Visitation, which is The Robettes' build space

When: July 31st - August 3rd & August 7th - 10th from 6:00-9:00 pm

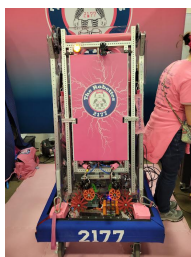

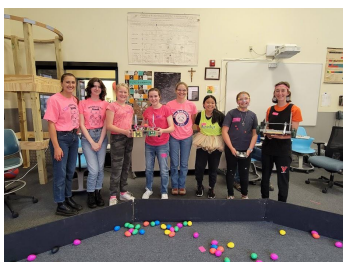

Why you should attend:

- Meet new people
- Learn new skills, such as marketing, programming, design, or using power tools
- See if joining the robotics team is for you!

To sign up:

1. Register at this link: <https://www.visitation.net/fs/form-manager/view/5c3ee7bb-7d50-4fac-beba-465de27cb4cd>
2. Pay \$50 online, with cash or by check
3. Fill out the permission form and medical release

Please contact our lead mentor **Sydney Benz-Herzog** with any questions at sbenz@vischool.org
